DELIVERING A BUNDLE OF JOY!

Santa made a surprise visit to Cherokee Regional Medical Center on Thursday, December 23rd to spread some holiday cheer. While Santa has been known to deliver millions of great gifts over the years, even he admitted that he could not top this special delivery. Pleased to learn of the blessed event, the jolly old soul was quick to congratulate proud parents Julie & Brad Bunjes on the arrival of their new baby girl, Blair, who was born at CRMC earlier in the week. Needless to say, it was a very merry Christmas for Blair and her parents this year!
