

CHEROKEE REGIONAL MEDICAL CENTER

Screening Tests Offered

Cherokee Regional Medical Center—Radiology

Thursdays, February 2 & 16, 2012

Thursdays, March 1 & 15, 2012

1:00 pm—4:30 pm Cost: \$35 / test

Carotid Ultrasound Screening

This test is for everyone who is at any increased risk for stroke to look for abnormal plaque buildup on the artery wall.

Stroke is the third leading cause of death in America and the number one cause of adult disability.

80% of strokes are preventable; you can prevent a stroke!

Abdominal Aortic Aneurysm (AAA) Screening

Ultrasound imaging is an accurate and reliable test for detecting AAAs before rupture. The majority of people with AAA have no symptoms.

Especially recommended for men aged 65 to 75 years who ever smoked.

Pre-registration for these non-invasive tests is required. Call the CRMC Radiology Department at 225-1501 to schedule your appointment.
