FIRST BABY OF 2015 IS A BOY!

Aaron and Nicole Hinkeldey of rural Aurelia are the proud parents of the first baby of 2015 born at Cherokee Regional Medical Center. Harlan Paul was delivered at 3:34 p.m. on Friday, January 2nd by Dr. Chris VandeLune. He weighed 6 pounds 11 ounces and was 19.5 inches long. Harlan is the Hinkeldey's first child.

Making the event even a little more special was the fact that Nicole happens to be an Obstetrics Nurse at CRMC, so the Hinkeldey's were able to share the experience with some of her co-workers. "We were so excited to deliver the first baby of 2015 at CRMC, but even more excited to welcome our first child into our family," said Nicole. "We couldn't be happier right now!"

Congratulations, Harlan, for being the first baby of 2015 at CRMC!
