Schedule Online for Public Health Immunization Appointments
or call Cherokee County Public Health at 712.225.2129

Walk-ins are welcome - subject to longer wait times
No one will be turned away for inability to pay
We require written consent for all immunizations

COVID-19
• COVID-19 Vaccines (primary series, booster, etc.) are available to everyone – free of charge

Routine Immunizations
• Routine immunizations are available to children ages 18 years or younger who meet at least one of the following requirements:
  ○ American Indian or Alaska Native
  ○ Medicaid-eligible - please bring your current card
  ○ Uninsured
  ○ Underinsured (child’s health insurance policy doesn’t cover any vaccines or certain recommended vaccines)
• Please consider a $10.00 donation per immunization
• Please bring previous record of immunizations
